

Advisor Compensation Management Solutions: Top 5 Considerations

1. Compensation Management

SATISFY ADVISORS WITH TIMELY AND ACCURATE PAYMENTS

- Complex commissions and incentive plans
- Fiduciary-oriented calculations and payouts
- Split and Team agreements
- Non-cash compensation
- Succession buyout plans

2. Account and Transaction Surveillance

MAINTAIN GREATER TRANSPARENCY AND COMPLIANCE

- Identify, manage and clean accounts not in good order.
- Report licensing and appointment infractions.
- Facilitate supervision with efficient and up-to-date reporting.

3. Seamless Integration

DEPLOY QUICKLY AND MAXIMIZE OPERATIONAL EFFICIENCY

- Plug into existing front- and middle-office ecosystem.
- Interface with legacy solutions.
- Connect to CRM software and general ledger platforms.

4. Data Aggregation and Product Insight

GAIN ACCESS TO COMPREHENSIVE DATA AND REPORTING

- Mutual fund and ETF profile and expense data
- EDGAR sourcing
- Accurate account reconciliation
- Flexible reporting
- Shorter sales cycles

5. Mobile Functionality

MEET THE DEMANDS OF ON-THE-GO ADVISORS

- Deliver every tool in a secure, feature-rich environment.
- See a complete view of each client's financial profile.
- Conduct accurate, dynamic performance calculations.
