

# ContentHub

Your omni-channel healthcare collateral management and distribution platform

---

Your teams can easily access and deliver print and digital communications, including educational materials, care management materials, brochures, training and more.

---

Patient communications need to be relevant and delivered effectively to increase engagement, drive healthier outcomes, and enhance the patient experience.

With Broadridge's ContentHub, you can access real-time, relevant collateral and deliver it digitally or in print.

## **MANAGE YOUR COMMUNICATIONS EASILY**

Innovative healthcare organizations rely on ContentHub to manage their collateral — from meeting brand and regulatory requirements to requesting and distributing personalized communications.

Our solution offers a centralized library for providers and system administrators to access content and distribute to care teams, patients, and their families.

In addition to digital delivery, ContentHub provides efficient print-on-demand (POD) capabilities, leveraging Broadridge's sophisticated fulfillment technology, proven processes, and print and postal optimization solutions.

## **DELIVER BOTTOM-LINE RESULTS**

- Streamline print and digital content management and versioning
- Customize patient-specific communications
- Leverage integration capabilities
- Offer an intuitive, single sign-on (SSO) ordering process
- Provide insights on each piece of material within a searchable content library
- Deliver real-time tracking and reporting to understand effectiveness of communications
