26
Average attendance of shareholders and guests

Results

Savings

VSMs eliminate or reduce costs for venue, onsite security, travel, and printing and mailing

Ease

For issuers: User-friendly technology, seamless onboarding, and exceptional support

For shareholders: Simple login from any device, anywhere

Safety

No travel risks or onsite security

Ongoing innovation

Since pioneering VSM technology in 2009 we continue to improve our platform and services.

Integrated capabilities

State-of-the-art video, Q&A, real-time voting, admin dashboard, reports, hosted playback and more.

One-on-one support

VSM experts provides white glove service from planning to post-meeting wrap-up.
