Portfolio Construction

The StarTrack Retirement Income Fund was originally established as the StarTrack 2010 fund. As the target date approached, risk was reduced on a periodic basis by adjusting the fund's ratio of equity to fixed income mutual funds. Since reaching its target date the Fund has maintained an asset allocation of 30% equity mutual funds and 70% fixed income mutual funds.

Investment Philosophy

The StarPath Funds® investment philosophy is based on the following core beliefs for equity investing: Diversification reduces risk; Markets are efficient; Asset allocation is the key determinate of portfolio returns; Passive management is superior to active management; Asset class investing is superior to indexing. Rogers' core beliefs for fixed-income investing include: Invest in high-quality, investment grade fixed-income securities and Keep durations and maturities short to intermediate.
