## Investment Philosophy

Each of the TOPS Portfolios seeks a competitive return for its investment style. The TOPS Portfolios are collective investment funds that will invest primarily in Exchange Traded Funds representing multiple asset classes, including large cap value equities, large cap growth equities, mid cap value equities, mid cap growth equities, small cap value equities, small cap growth equities, large cap international equities, emerging markets equities, real estate, natural resources, intermediate corporate bonds, short term bonds, government bonds, high yield bonds and cash. Mutual fund investments may be made within the Portfolios where appropriate.

## Portfolio Construction

The TOPS Target Portfolio 2035 seeks to provide growth of capital by investing primarily in ETFs and other index-based vehicles that invest in common and preferred stocks, corporate and government bonds, real estate, and natural resources securities. The TOPS Target Portfolio 2035 places a greater emphasis on equity, real estate, and natural resource investments than fixed income investments. The TOPS Target Portfolio 2035 may be appropriate for investors with long-term investment horizons who are willing to accept a relatively high level of volatility in exchange for potentially higher investment returns. As the stated target date approaches, the TOPS Target Portfolio 2035 will place a greater emphasis on fixed income investments than equity investments.
