## Investment Philosophy

Each of the TOPS Portfolios seeks a competitive return for its investment style. The TOPS Portfolios are collective investment funds that will invest primarily in Exchange Traded Funds representing multiple asset classes, including large cap value equities, large cap growth equities, mid cap value equities, mid cap growth equities, small cap value equities, small cap growth equities, large cap international equities, emerging markets equities, real estate, natural resources, intermediate corporate bonds, short term bonds, government bonds, high yield bonds and cash. Mutual fund investments may be made within the Portfolios where appropriate.

## Portfolio Construction

The TOPS Balanced Portfolio seeks to provide capital appreciation and income by investing primarily in ETFs and other index-based vehicles that invest in corporate and government fixed income securities, common and preferred stocks, real estate, and natural resources securities. The TOPS Balanced Portfolio places a greater emphasis on equity, real estate, and natural resource investments than fixed income investments. The TOPS Balanced Portfolio may be appropriate for investors with intermediate to long-term investment time horizons who seek to balance income with a moderate level of volatility in exchange for potentially higher returns.
